

## Issues

| #  | Project    | Tracker | Status      | Priority | Subject  | Assignee                 | Related issues                                | Security Fix |
|----|------------|---------|-------------|----------|--|--------------------------|---|--------------|
| 1  | CipherShed | Task    | New         | Normal   | Detailed review of Windows constant strings                    | Paweł Zegartowski        | Related to #2                                 |              |
| 2  | CipherShed | Task    | New         | Normal   | Upgrade installer to uninstall TrueCrypt                       |                          | Related to #1, Related to #13, Related to #16 |              |
| 3  | CipherShed | Task    | New         | Normal   | Finish initial bitmaps and icons                               |                          |   |              |
| 4  | CipherShed | Task    | New         | Normal   | Get Windows executable signing key                             | Bill Cox                 |   |              |
| 5  | CipherShed | Task    | New         | Normal   | Linux build, installer, VM                                     | Kyle Marek               | Related to #50                                |              |
| 6  | CipherShed | Task    | New         | Normal   | Windows build, installer, VM                                   | Bill Cox                 |   |              |
| 7  | CipherShed | Task    | New         | Normal   | Mac build, installer, VM                                       | Jason Pyeron             |   |              |
| 8  | CipherShed | Task    | New         | Normal   | Get graphics artist to work on artwork, icons                  |                          |   |              |
| 9  | CipherShed | Task    | New         | Normal   | Create check-list of features to be tested                     | Pier-Luc Caron St-Pierre |   |              |
| 10 | CipherShed | Feature | New         | Low      | Two-factor Pre-boot-authentication with USB stick and Password |                          |   |              |
| 11 | CipherShed | Feature | New         | Low      | Cipher set enablement  |                          |   |              |
| 12 | CipherShed | Task    | In Progress | Normal   | Write Documentation  | Eugene Wang              | Related to #15                                |              |
| 13 | CipherShed | Task    | New         | Normal   | List of all version numbers                                    | Rocki H                  | Related to #2                                 |              |
| 14 | CipherShed | Bug     | New         | Normal   | Fixes urls in ui (/applink? links)                             |                          | Related to #25                                |              |
| 15 | CipherShed | Task    | New         | Normal   | Create Gnu Info page   | Eugene Wang              | Related to #12                                |              |
| 16 | CipherShed | Task    | New         | High     | Create list of all installed files / registry keys (Windows).  | Rocki H                  | Related to #2                                 |              |
| 17 | CipherShed | Task    | New         | Normal   | Create debian packaging  |                          |   |              |
| 18 | CipherShed | Task    | New         | Normal   | Create rpm packaging   |                          |   |              |
| 19 | CipherShed | Task    | New         | Normal   | Create pkgbuild for arch                                       |                          |   |              |
| 20 | CipherShed | Task    | New         | Normal   | Create dmg for os x  |                          |   |              |
| 21 | CipherShed | Bug     | New         | High     | Method of mounting may be exploited                            |                          |   |              |
| 22 | CipherShed | Bug     | In Progress | High     | Change name of software for "1.0" release.                     | Jason Pyeron             |   |              |
| 23 | CipherShed | Bug     | New         | Normal   | Windows 8 / 8.1 Fast Startup                                   | Rocki H                  |   |              |

| #  | Project    | Tracker | Status      | Priority | Subject   | Assignee     | Related issues | Security Fix |
|----|------------|---------|-------------|----------|---|--------------|----------------|--------------|
| 24 | CipherShed | Task    | New         | Normal   | Add Windows 8 / Server 2012                                     | Rocki H      |                |              |
| 25 | CipherShed | Task    | New         | Normal   | Broken applinks   |              | Related to #14 |              |
| 26 | CipherShed | Bug     | New         | Normal   | Large External Drive Support on Mac (>512byte sector size)      |              |                |              |
| 27 | CipherShed | Bug     | Resolved    | High     | Audit of 04af5c7 - Buffer Overflow: sprintf                     |              |                |              |
| 28 | CipherShed | Bug     | Resolved    | Normal   | Audit of 04af5c7 - Buffer Overflow: strcat                      |              |                |              |
| 29 | CipherShed | Bug     | Resolved    | Normal   | Audit of 04af5c7 - Buffer Overflow: strcpy                      | Jason Pyeron |                |              |
| 30 | CipherShed | Bug     | Resolved    | Normal   | Allowed character description is wrong                          |              | Related to #31 |              |
| 31 | CipherShed | Bug     | New         | Normal   | there is duplicate code for password character checking         | Jason Pyeron | Related to #30 |              |
| 32 | CipherShed | Feature | New         | Normal   | truecrypt.ch ideas thread                                       |              |                |              |
| 33 | CipherShed | Feature | New         | Normal   | windows comamnd line volume creation                            |              |                |              |
| 34 | CipherShed | Feature | New         | Normal   | windows mount point support                                     |              | Related to #60 |              |
| 35 | CipherShed | Feature | Resolved    | High     | use Doxygen   |              |                |              |
| 36 | CipherShed | Feature | New         | Normal   | support multiple actors to open an encrypted volume             |              |                |              |
| 37 | CipherShed | Bug     | New         | High     | Open Crypto Audit Project issues                                |              |                |              |
| 38 | CipherShed | Bug     | New         | High     | Weak Volume Header key derivation algorithm                     |              | Blocked by #49 |              |
| 39 | CipherShed | Bug     | New         | High     | Sensitive information might be paged out from kernel stacks     |              |                |              |
| 40 | CipherShed | Bug     | New         | High     | Multiple issues in the bootloader decompressor                  |              |                |              |
| 41 | CipherShed | Bug     | New         | High     | Windows kernel driver uses memset() to clear sensitive data     |              |                |              |
| 42 | CipherShed | Bug     | New         | High     | TC_IOCTL_GET_SYSTEM_DRIVE_DUMP_CONFIG kernel pointer disclosure |              |                |              |
| 43 | CipherShed | Bug     | New         | High     | IOCTL_DISK_VERIFY integer overflow                              |              |                |              |
| 44 | CipherShed | Bug     | New         | High     | TC_IOCTL_OPEN_TEST multiple issues                              |              |                |              |
| 45 | CipherShed | Bug     | New         | High     | MainThreadProc() integer overflow                               |              |                |              |
| 46 | CipherShed | Bug     | New         | High     | MountVolume() device check bypass                               |              |                |              |
| 47 | CipherShed | Bug     | New         | High     | GetWipePassCount() / WipeBuffer() can cause BSOD                |              |                |              |
| 48 | CipherShed | Bug     | New         | High     | EncryptDataUnits() lacks error handling                         |              |                |              |
| 49 | CipherShed | Bug     | Resolved    | High     | use a unit testing framework                                    |              | Blocks #38     |              |
| 50 | CipherShed | Feature | New         | Normal   | Linux FDE   |              | Related to #5  |              |
| 51 | CipherShed | Bug     | In Progress | Normal   | GUID Partition Table (GPT)                                      | Jason Pyeron | Related to #55 |              |

| #  | Project    | Tracker | Status      | Priority | Subject   | Assignee     | Related issues | Security Fix |
|----|------------|---------|-------------|----------|---|--------------|----------------|--------------|
| 52 | CipherShed | Feature | New         | Low      | recovery utility & tools  |              | Related to #59 |              |
| 53 | CipherShed | Feature | New         | Low      | Portable / non-admin volume browser   |              |                |              |
| 54 | CipherShed | Feature | New         | Low      | Self Destruct Password  |              |                |              |
| 55 | CipherShed | Bug     | In Progress | Normal   | Unified Extensible Firmware Interface (UEFI)  | Jason Pyeron | Related to #51 |              |
| 56 | CipherShed | Bug     | New         | Low      | FreeBSD support   |              |                |              |
| 57 | CipherShed | Feature | New         | Normal   | Skein support   |              |                |              |
| 58 | CipherShed | Feature | New         | Low      | Tablet / Touch screen / non-keyboard boot support   |              |                |              |
| 59 | CipherShed | Bug     | New         | Low      | optimized rescue disk   |              | Related to #52 |              |
| 60 | CipherShed | Feature | New         | Normal   | Enhanced UX - shell extension for container management  |              | Related to #34 |              |
| 61 | CipherShed | Feature | New         | Normal   | optionally support TPM  |              |                |              |
| 62 | CipherShed | Feature | New         | Normal   | Administrative Configuration for Enterprise IT  |              |                |              |
| 63 | CipherShed | Bug     | New         | Normal   | 64 bit gui on 64 bit systems  |              | Related to #65 |              |
| 64 | CipherShed | Task    | New         | Normal   | Rewrite or remove LongReverse in Common/Dlgcode.c   |              |                |              |
| 65 | CipherShed | Feature | New         | Normal   | pure 64 bit version for windows   |              | Related to #63 |              |
| 66 | CipherShed | Feature | New         | Normal   | provide robust API for usermode interaction with kernel driver  |              |                |              |
| 67 | CipherShed | Feature | New         | Normal   | print a backup  |              |                |              |
| 69 | CipherShed | Feature | New         | Low      | integration test: mounting and sharing volumes  |              |                |              |
| 70 | CipherShed | Feature | New         | Normal   | track git info in build   |              |                |              |
| 71 | CipherShed | Bug     | New         | High     | passwords using non-ascii   |              |                |              |
| 72 | CipherShed | Bug     | New         | Normal   | The installation fails, but a message (from windows?) says it succeeds and asks if you want to reboot |              |                |              |
| 73 | CipherShed | Bug     | New         | Normal   | Truecrypt icon showing in taskbar   |              |                |              |
| 74 | CipherShed | Bug     | New         | Normal   | Hardcoded Build date in Help->About window  |              |                |              |
| 75 | CipherShed | Feature | New         | Low      | code coverage - ConvertUTF.c  |              |                |              |
| 76 | CipherShed | Bug     | New         | Normal   | MakeSelfExtractingPackage used in CI cannot have dialog boxes   |              |                |              |
| 77 | CipherShed | Bug     | Resolved    | High     | boot loader is too big, regression on ff4d0578aff9269fdb654a213c850ce576fafd0a                        |              |                |              |
| 78 | CipherShed | Bug     | New         | Normal   | update the ciphershed.org website, automatically  |              |                |              |
| 79 | CipherShed | Feature | New         | Low      | document a list of file systems compatible with Hidden Volume usage                                   |              |                |              |
| 80 | CipherShed | Bug     | New         | Low      | TEST CASE: ubuntu 14 GUI install  |              |                |              |

| #   | Project    | Tracker | Status   | Priority  | Subject  | Assignee      | Related issues | Security Fix |
|-----|------------|---------|----------|-----------|--|---------------|----------------|--------------|
| 81  | CipherShed | Feature | New      | Normal    | Decrypt System drive via commandline   |               |                |              |
| 82  | CipherShed | Feature | New      | Normal    | add sparse file detection to non-windows versions  |               |                |              |
| 83  | CipherShed | Bug     | New      | Normal    | deduplicate file names   |               |                |              |
| 84  | CipherShed | Bug     | New      | Normal    | wcsncpy is subject to buffer overflow  |               |                |              |
| 85  | CipherShed | Bug     | New      | Normal    | Dlgcode.c is 9917 lines long, split it up  |               |                |              |
| 86  | CipherShed | Bug     | Resolved | Normal    | Make ciphershed window titlebars different   |               |                |              |
| 87  | CipherShed | Feature | New      | Low       | support multiple hidden volumes  |               |                |              |
| 88  | CipherShed | Bug     | New      | Normal    | smart card support for containers  |               |                |              |
| 89  | CipherShed | Feature | New      | Normal    | Support the Common Criteria Collaborative Protection Profile for Full Disk Encryption  |               |                |              |
| 90  | CipherShed | Feature | New      | Normal    | cipher setting preference file   |               |                |              |
| 91  | CipherShed | Feature | New      | Normal    | use linked libraries in kernel driver to isolate logical units and later support plugins   |               |                |              |
| 92  | CipherShed | Feature | New      | Normal    | allow change of cipher/key on encrypted container without decrypting   |               |                |              |
| 93  | CipherShed | Feature | New      | Normal    | support "quick" encrypt for new media (especially flash/SSD)   |               |                |              |
| 94  | CipherShed | Bug     | New      | High      | CipherShed Volume Creation Wizard: Encryption of Host Protected Area": "Encryption of Host Protected Area" class #32770 not initialized? |               |                |              |
| 95  | CipherShed | Bug     | New      | Normal    | Platform/SystemException.h and Common/Exception.h define the same class/struct   |               |                |              |
| 96  | CipherShed | Feature | New      | Normal    | installer to incorporate a post-installation quick-start wizard  |               |                |              |
| 97  | CipherShed | Feature | New      | Normal    | Suggestion 1 — Do not use unknown terminology  | Niklas Lemcke |                |              |
| 98  | CipherShed | Feature | New      | Normal    | Suggestion 2 — Do not misuse native UI controls  | Niklas Lemcke |                |              |
| 99  | CipherShed | Feature | New      | Normal    | Suggestion 3—Separate required and optional input parameters   |               |                |              |
| 100 | CipherShed | Feature | New      | Normal    | Suggestion 4—Display the consequences of an action immediately (Immediacy of consequences)   |               |                |              |
| 101 | CipherShed | Bug     | Resolved | Normal    | boot loader password prompt takes 100% cpu in VM   |               |                |              |
| 102 | CipherShed | Feature | New      | Normal    | support for serial console in bootloader   |               |                |              |
| 103 | CipherShed | Task    | New      | Low       | Const Correctness  |               |                |              |
| 104 | CipherShed | Bug     | Resolved | Low       | wxgtk 2.9, CommandLineInterface, ambiguous overloaded function calls   |               |                |              |
| 105 | CipherShed | Bug     | Resolved | Low       | Debian Jessie Complication Error: wx3.0  |               |                |              |
| 106 | CipherShed | Task    | New      | Low       | Disable GitHub issue tracker   |               |                |              |
| 107 | CipherShed | Bug     | New      | Immediate | Open Crypto Audit Project TrueCrypt CS-TC-1 - CryptAcquireContext may silently fail in unusual scenarios                                 |               |                |              |
| 108 | CipherShed | Bug     | New      | Urgent    | Open Crypto Audit Project TrueCrypt CS-TC-2 - AES implementation susceptible to cache-timing attacks                                     |               |                |              |
| 109 | CipherShed | Bug     | New      | High      | Open Crypto Audit Project TrueCrypt CS-TC-3 - Keyfile mixing is not cryptographically sound  |               |                |              |

| #   | Project    | Tracker | Status   | Priority  | Subject  | Assignee      | Related issues | Security Fix |
|-----|------------|---------|----------|-----------|--|---------------|----------------|--------------|
| 110 | CipherShed | Bug     | New      | High      | Open Crypto Audit Project TrueCrypt CS-TC-4 - Unauthenticated ciphertext in volume headers |               |                |              |
| 111 | CipherShed | Bug     | New      | Normal    | ui does not show free drives below c: e.g. A: or B:  | Niklas Lemcke |                |              |
| 112 | CipherShed | Bug     | Resolved | Normal    | uninstall on windows does not list version info  |               |                |              |
| 113 | CipherShed | Bug     | Resolved | Normal    | remove the donate screen from the installer  |               |                |              |
| 114 | CipherShed | Task    | New      | Normal    | Real, unified makefiles  | Kyle Marek    |                |              |
| 115 | CipherShed | Bug     | Resolved | High      | fails to build on stretch due to overloaded constructors                                   |               |                |              |
| 116 | CipherShed | Bug     | New      | Normal    | create an option for private/global volume mounting  |               |                |              |
| 117 | CipherShed | Bug     | Resolved | High      | Failure to function when compiled with GCC 5   |               |                |              |
| 118 | CipherShed | Bug     | New      | Normal    | upgrading truecrypt fails if truecrypt is pinned to the taskbar                            |               |                |              |
| 119 | CipherShed | Bug     | Resolved | Immediate | DLL side loading attack vulnerability  | Jason Pyeron  |                |              |
| 121 | CipherShed | Feature | New      | Normal    | Support "not" burning CD on encrypting disk operation                                      |               | Related to #68 |              |
| 122 | CipherShed | Feature | New      | Normal    | support key escrow   |               | Related to #68 |              |
| 123 | CipherShed | Bug     | New      | Normal    | losetup anomaly with OpenSUSE 13.1   |               |                |              |
| 124 | CipherShed | Feature | New      | Normal    | investigate switch to FUDforum from phpBB  |               |                |              |
| 125 | CipherShed | Bug     | Resolved | Normal    | Makefile for bootloader fails on case sensitive filesystem                                 |               |                |              |
| 126 | CipherShed | Bug     | Resolved | Normal    | VS launcher breaks if using multiple VS and the default is not the one for CS              |               |                |              |
| 127 | CipherShed | Bug     | Resolved | Normal    | remove #if 0 code  | Jason Pyeron  |                |              |
