- Status changed from New to Resolved

This is related to the incompatibility with wx 3.0. Resolved in
380119ada6f0c191c3297c1a6b03adfb629d101f..6854377507f5a36b5f25b7333fb691aa73b36d6c. Expected to be released with v0.7.4.2.

I tested with OpenSUSE 13.1. Installed dependencies with the following command:

```
sudo zypper install git make gcc gcc-c++ nasm fuse-devel wxWidgets-2_9-devel
```
